

MORO VISION NIGHT VISION

LIGHT THE NIGHT™

ITT NIGHT QUEST 6010 – Generation 3 Monocular

ITT NQ6010. Manufactured by ITT Night Vision, the leading producer of Gen 3 night vision devices, the NQ 6010 pockscope is designed for the most demanding of nighttime applications. **The NQ6010 is specifically designed to capture stunning video or still photography.** The NQ6010 is a light weight, compact, multi function Gen 3 pockscope that can be used as a camera night lens system for video and 35mm SLR cameras, hand-held, head-mounted or tripod-mounted. Backed by ITT's 2 year factory warranty, the NQ6010 is required gear for all night time photographers.

Features and Benefits:

- High resolution 64-72 lp/mm (typical), high gain, and high photoresponse in visible and near infrared
- Multifunctional: Multifunctional: Hand-held, helmet-mounted, head-mounted, tri-pod mounted and camera adaptable
- Built in tripod socket
- Automatic high-light cutoff
- Camera and video adaptable (camcorder and 35mm SLR cameras)
- Swing out IR light source
- Comprehensive two-year factory warranty

Standard Accessories Included:

- Objective C-Mount Adapter – Allows NQ6010 to attach to any C-Mount lens.
- Brow Pad - Changeable pad for secure head mount fit.
- Helmet/Head Mount Adapter – Allows the user to position the monocular in front of either eye.
- Eye Cup - Prevents the emission of stray light or facial reflections.
