

MORO VISION NIGHT VISION

LIGHT THE NIGHT™

MV-321B– Generation 3 Dual Tube Night Vision Binocular

MV-321B. The MV-321B binocular features the latest rugged military design with specialized multicoated optics. The light weight MV-321B features 3.2x magnification, automatic brightness control (ABC), a built in IR illuminator, and bright light protection. Its unique dual tube/dual eye configuration is the only night vision device that offers a true stereoscopic night vision image. The innovative wide exit pupil design eliminates the need for interpupillary adjustment and reduces the size and weight of the unit. The optional head-mount assembly and 1x commercial lens convert the 321B from a binocular to a goggle, making the 321B the most versatile dual tube system available.

Features and Benefits:

- High resolution 64-72 lp/mm (typical), high gain, and high photoresponse in visible and near infrared
- Multifunctional: Hand-held or head-mounted
- Automatic Brightness Control (ABC) automatically adjusts the brightness of the image tube for varying light conditions
- Automatic high-light cutoff
- Comprehensive two-year factory warranty

Optional Accessories (not included):

- 3x Commercial Lens
- Helmet Mount Assembly (PASGT) (Adapter required)
- VIP IR Signal Beacon – Dual Function
- Guardian IR Flashing Marker
- Guardian IR Mockingbird Marker
- Flashing IR Laser Stik
- IR Illuminator – Handheld

Standard Accessories Included:

- **Foam Fitted Hard Case** – Weather-proof protective case.
- **Eye Cups** - Prevents the emission of stray light or facial reflections.
- **Day Light Filter** – Filters excessive light. Protects objective lens from the elements.
- **Battery** - One (1) 3-Volt Lithium Battery (CR123) - Provides up to 30 hours of operational time.
- **Operators Manual** – Instructional users guide.
- **Warranty Card** – Proof of one-warranty on product
